1. This application form is only applicable for the applicant's request for the initial storage of drawings concerning a specific vessel. During the validity period of the bilateral agreement, the lawful and compliant use, updates, and renewal of ship drawings can be proposed by the designated representatives through written documents such as emails or faxes, without the need to fill out this application form separately. However, the second and third clause of this application must be adhered to.
2. The applicant commits that the submitted ship drawings are not involved in any legal disputes. If required by the CR Archive Center, the applicant shall provide relevant documentary evidence. The applicant will strictly adhere to the SCF IS/SG and the principled requirements described in this standard, being responsible for the legality, authenticity, accuracy, and completeness of the submitted ship data and use it lawfully and compliantly.
3. The applicant will take sufficient caution to ensure no infringement of any third party's legal rights. The applicant shall bear all losses caused by the failure to fulfill contractual obligations and the obligations required by the SCF IS/SG standard. If losses are incurred to the archive center, the center reserves the right to seek recourse.
4. Once this application form is signed, it is considered part of the agreement between both parties and has legal effect.
